04/08/2008-****OPPOSED OPINION TO SOLAR POWER PLANT**DOCKET NO.E-01345A-08-0106

Customer feels that the cost of the new solar plant is not the best idea. Customer says that APS customers are going to be required to pay .14 cents per KWH. Customer says that APS sold to the highest bidder. Customer says that APS and the Commission failed to look into other options before deciding on this project. Customer says that going with coal or nuclear would have been around .04 cents per KWH.

Utilities' Response:Investigator's Comments and Disposition:

04/08/2008- SENT TO DOCKET NUMBER E-01345A-08-0106

Your opinion regarding the APS solar power plant will be placed on file with the Docket Control Center of the Arizona Corporation Commission to be made part of the record. The Commission will consider your comments before a decision is rendered.

Commission Staff is very sensitive to the burden that high utility rates can place on the consumer, and though constitutionally required to allow a fair return to the utility, does everything within its authority to protect the consumer.

Staff appreciates your comments and the interest taken on the proposed solar power plant. If you should have any questions relating to this issue, please call me toll free at (800) 222-7000.

Customer was happy with this information.
